

Dear Prayer Partner,

Today the Lebanese army was completely victorious, after almost 109 days of continued fighting with Fateh-Al-Islam terrorists. Today, all the remaining terrorists in Naher-Al-Bared camp, were killed or captured. The victory brought celebrations all over Lebanon.

As we give the Lord all Praise for this direct answered Prayer, let us PRAY;

\*That the Jubilation will also bring an easing of the tensions among all political factions in Lebanon. And that an agreed upon New President for Lebanon will be elected peacefully next month.

Sincerely, Because He lives,
