

Dear Prayer Partner,

Great showers of Heavenly blessings came down on us in Montreal this last week-end. All five sessions of the conference were anointed. At least seven people made a new profession of faith in Christ, and many renewed their commitment to the Lord with tears. New and important contacts were added to our praying family. In addition Two French Canadians outside the conference also accepted the Lord. Valerie, one of the kitchen workers at the conference site, and the other was my cousin's wife Therese. I left Montreal yesterday with a joyous tear-stained smile. Hope was fulfilled, God was magnified, and Faith was triumphant.

Please, let us follow-up with additional Prayers NOW:

- 1- For all New converts in Montreal, to receive discipleship, and to begin showing a lasting changed life.
- 2- For all the newly added contacts to our Praying Family, to integrate well, and to be perseverant in Prayer.
- 3- Praise and Thanksgiving to the Lord from whom all blessings come when we ask in His Name. (John 14:14).

Your Grateful partner in His service,

Dr Ray Sleiman
