

Dear Prayer Partner,

It is obvious that our 18th Day of Prayer on May 19th at Biola, was timed, guided, and beginning to be answered by the Lord Himself who on numerous occasions commanded and encouraged us to PRAY (Matt7:7, Luke18, etc..). In LEBANON Twelve hours before we prayed, a plot to separate North Lebanon and turn it to an extremist Al-Quaeda style state was to be executed, but was uncovered, and the stand-off continues now with a surrounded extremist group called Fateh-Al-Islam in a Palestinian camp. The good news is that the Lebanese Army has the upper hand. This is answered prayer one.

Also more answered prayer came when the UNITED NATIONS APPROVED YESTERDAY THE INTERNATIONAL TRIBUNAL TO GO AFTER THOSE WHO MURDERED HARIRI AND 22 OTHER FIGURES IN LEBANON IN THE LAST 2 YEARS. This is another major answered prayer. Here is how it was reported yesterday:

BEIRUT: The United Nations Security Council invoked Chapter 7 of the UN Charter on Wednesday in approving the creation of a special international court to try suspects in the 2005 assassination of former Prime Minister Rafik Hariri. Gunfire and fireworks broke out in several parts of Lebanon within minutes of the decision on Resolution 1757, which passed by a vote of 10-0 with five abstentions.

"The court is a great victory for all of Lebanon," an emotional Saad Hariri declared during a speech broadcast by several television stations immediately after the vote.

The decision comes at a time of renewed tensions in Lebanon, aggravated by a deadly standoff between the Lebanese Army and the Fatah al-Islam militant group - and a series of bombings in several parts of the country.

SO we need to continue to Pray for these, and other Key events:

1: For a quick victory of the Lebanese Army over the terrorists, and strengthening of freedom, law & order in Lebanon.

2- For Safety of all Believers, Workers, Government officials, Security forces, and all Lebanese.

3- For the Arab Christian Perspective Group, and other Christian organizations who will be witnessing in Dearborn Michigan, at the Arab Festival, estimated to have 300,000 Muslims on JUNE 14,15,16,&17. Please, pick a day of fasting and Prayer from those dates.

4- For the NEW WEBSITES, www.grace&truthgospelchurch.org & www.lebanonprayergroup.org , where the prayer requests, and pictures of the last Day of Prayer are posted to be effective, and useful to remind, and encourage many to persevere in prayer.

May the Lord continue to encourage your prayer mission. Because He Lives, and He is Faithful.

Your Partner, Dr Ray Sleiman
